This exceptional new cultivar is one of the first from Broken Coast's state-of-the-art Vancouver Island, BC facility. Platinum Pavé is meticulously grown under optimized conditions in single-strain, laboratory-grade rooms. Platinum Pavé details:

- **Lineage:** Spritzer x Pavé.
- **Aromas:** Sweet, earthy with a potent hint of diesel.
- **Rich terpene profile featuring:** Limonene, Caryophyllene, Linalool.

Kevin Anderson, Master Grower at Broken Coast, describes Platinum Pavé as a visual masterpiece with deep green and royal purple buds covered in trichomes. "We're excited for consumers to get their hands on this exceptional indica," he says. "After phenotyping over 500 seeds, we're extremely proud to cultivate a strain with potent THC and a unique terpene profile. Despite the laborious process, the team is dedicated to thoughtfully choosing strains and refining their growing and curing techniques to develop the best product possible. **Platinum Pavé** joins Broken Coast's renowned craft cannabis portfolio, including Cherry Cheesecake, EmergenZ, Sour OG, Holy Grail Kush, Amnesia Haze, and most recent fan favourite, [Milk & Cookies](#).
